Hello All,

The Cruzin' for Life (CFL) Board Members are in the final days of planning the 5th Annual Cruzin' for Life event. CFL raises funds donated to Marian Cancer Center and our local American Cancer Society. Our contribution in 2007 was \$70,000; this year we hope to donate \$100,000. Thanks to all our Cruiser entrants, sponsors, business/personal donations and all the big-hearted volunteers, we are well on the way of meeting our goal!

DON'T FORGET, THERE ARE BIG CHANGES THIS YEAR!

- 1) Our event will be hosted entirely at the Santa Maria Fairpark. Saturday - car show, cruise, exhibition vehicles, and vendor booths. Saturday evening - dinner/dance & auction.
- 2) The City of Santa Maria is closing Broadway for our car cruise this year. The cars with Cancer Survivor passengers will cruise from Morrison to Boone for an entire hour.
- 3) The Burnout Contest will consist of two separate shows to better accommodate the spectators.

CRUZIN' FOR LIFE
